7:30 - 9:00 PM Board Meeting

Thanks to all of you who have supported the neighborhood association in working towards our common goals together in making this a stronger community. We all know what a wonderful

place this is, and we want to maintain this. We welcome new members, volunteers, ideas, and your input.

Please let us know if you are interested or can join us at our monthly meetings. Merging Mont Marin, San Rafael Park and Montevideo Terrace gave us a stronger voice in the community to communicate more effectively with city officials. This provides more strength as a community and promotes "Safety, security and appearance of the neighborhood". Please let us know if you are interested in becoming a member. We have \$10.00 membership dues for our newsletter, ice cream social,

other events and more.

We want to keep you in touch with the community and local news.

We want to thank all our volunteers, seasoned members and new members for their support.

Let us know if you have suggestions or articles you would like to contribute to our newsletter. We are also seeking individuals who have internet expertise to assist with neighborhood communication.

The board recognizes Ray Lorber's "letter from the president" emailed to the association membership April 8th 2011. It must be recognized the board has supported and appreciated the work Ray Lorber has done for the community over the years. It was Ray Lorber's decision to resign. The board honors Ray Lorber with the position of President Emeritus following his resignation.
