Dear Larry,

Just a note to thank you for inviting me to your organizational meeting of the Mont Marin Home Owners Association.

I was pleased to meet with you all and have an opportunity to discuss the various problems the home owners are experiencing.

As you know, I took extensive note, and have passed this information on to our Construction and Service departments. Rest assured that the management in Burlingame is very much aware of the service problems you are encountering, and we will do everything possible to resolve this as soon as possible.

Please feel free to contact me at any future date regarding problems that may arise at Mont Marin !

Very truly yours
