Dear Mr. Russom:

Thank you for your letter of October 8, 1971 in which you related the interest on the part of the Homeowners Associations in Mont Marin, Twelveoak Hill and San Rafael Park areas in finding a suitable location for a City park.

I have discussed the proposed abandonment of the old Lucas Valley Road and adjacent properties with our Parks and Recreation Commission and they have indicated we should investigate its potential. In addition, since the area in question is partially County land, I have also arranged to meet with Mr. Pierre Joske, County Director of Parks and Recreation, next week to review any ideas he might have in connection with a park in this area.

As soon as we are able to resolve some of the many questions concerning this matter, I will contact you.

Sincerely yours,

A. J. SNYDER, JR.
Director of Parks and Recreation
