Planning Department
City of San Rafael
1400 Fifth Avenue
San Rafael, Ca., 94901

Dear Sirs,

At the last meeting of the Mont Marin Homeowners Association the intersection at Canyon Oak and Lucas Valley was discussed. After dark the turn on to Canyon Oak from Lucas Valley Road is especially difficult to discern and therefore is very dangerous.

We are asking the Planning Department to consider lighting the area. Would you please consider this and advise us of your feeling in this matter? Thank you.

Sincerely,

Marion Elkjer
